# Classes meet from 10:50 until 12:50.				LABORATORY SESSIONS, WHERE REQUIRED, WILL BE ARRANGED AT THE FIRST MEETING OF THE CLASS.					

MILLSAPS COLLEGE

SUMMER SESSION 1969

FIRST TERM
SECOND TERM

JUNE 7 - JULY 12
JULY 14 - AUGUST 16

GENERAL INFORMATION

WHY SUMMER SCHOOL?

- Millsaps Summer School is designed to serve—
- High school graduates who will enter college this fall
 - Regular students working toward a degree at Millsaps College
 - Visiting college students who desire to earn credits for transfer to other institutions
 - Teachers who need courses for certification requirements
 - College students and others who desire work in specialized areas

REGISTRATION

Application blanks may be obtained by writing to Director of the Summer School, Millsaps College, Jackson, Mississippi 39210. Preregistration is advisable.

High School graduates attending for the first time must supply a complete transcript.

College students entering Millsaps for the summer terms only must provide a statement of eligibility from the dean or registrar of the last school attended.

TRANSFERRING CREDITS

To transfer credit earned during the summer, a written request must be filed with the registrar of Millsaps College.

OFFERINGS

All courses listed will be offered, but the College reserves the right to withdraw a course if there is insufficient registration or to change instructors if necessary.

CLASS LOAD

The maximum load a student may take is seven semester hours in one term, fourteen semester hours in two terms.

SCHEDULE OF CLASSES AND EXAMINATIONS

Regular classes meet every weekday morning. Laboratory sessions, where applicable, are scheduled chiefly for afternoons.

During the first term, classes will meet one Saturday: June 14. Final examinations will be given Saturday, July 12. July 4 will be a holiday.

During the second term, classes will meet one Saturday: July 19. Final examinations will be given Saturday, August 16.

ATTENDANCE

The number of class sessions has been reduced to a minimum consistent with the desired academic attainment. Students are therefore expected to be present for each class session. Instructors may exclude students from a class and withhold credit for excessive absence.

Air-Conditioning

Library, classrooms, cafeteria, and dormitory facilities are air-conditioned.

Scholarships and Loans

During the summer session no scholarships are available, and no reductions in tuition are made. National Defense Student Loans are available to students enrolled full time in the spring or fall semester of 1969.

Cooperative Program With Belhaven College

Students attending the Millsaps College Summer School will be allowed with the permission of the Dean to enroll in courses offered by Belhaven Summer School. The courses will be included in your Millsaps enrollment, thereby eliminating the necessity of sending additional records to the second college. The courses and grades will be listed on your Millsaps record.

THE REGULAR SESSION

Students interested in attending during the regular session should contact the Director of Admissions, Millsaps College, Jackson, Mississippi 39210. The fall term will open September 6, 1969.

SPECIAL PROGRAMS

EARTH SCIENCES

During the first term (June 9-July 12) a Survey of Earth Sciences offers to academically talented high school students a special program of study in geology, meteorology, oceanography, astronomy. Twelve lecture-laboratory sessions and one field trip each week. Tuition \$95. For information, write to Dr. J. O. Snowden, Jr., Millsaps College.

MUSIC COURSES

Summer study in voice may be arranged with Mr. Alderson; in piano with Mr. Polanski.

WORKSHOP IN ART

Art 301-302, Painting and Drawing. Oil and water color. Materials and properties of painting and drawing, methods of presentation, composition problems, and a survey of the evolution of painting and drawing. 3 hrs. credit each term. Mr. Rowell. Classes meet three afternoons a week, in Galloway Hall. Laboratory fee, \$10.00 each term.

COMPUTER PROGRAMMING

An eight-week course in Computers and Computer Programming (Mathematics 300) will be offered two nights each week from June 10 through July 31 in conjunction with the Mississippi Research and Development Center. Classes will meet at the R & D Center. Enrollment limited to 30; 3 hours credit; laboratory fee \$25.00.

WORKSHOP IN THEATRE

The class in Theatre 171-172 will stage a major production each term of the summer session. Also, students enrolled in other summer courses are invited to participate on a non-credit basis. Classes and rehearsals every afternoon. 3 credit hours each semester.

GULF COAST RESEARCH LABORATORY

Gulf Coast Research Laboratory courses are recognized for full credit.

SEMINAR ON EUROPEAN CULTURE

A study of Western European society and culture. This course consists of a three-week tour of Belgium, Holland, England, France, Germany, Switzerland, Italy, and Spain, in addition to seminar meetings before, during, and after the tour. Selected readings and a seminar paper required. Three hours credit. Tour: June 9-June 30. Deadline for applying: May 1. Limit: 25. Address inquiries to Dr. Charles Sallis, Millsaps College.
